The Veterans of Foreign Wars Post 7110 and its' Auxiliary is a non-profit veteran's organization that supports our veterans, veteran programs, and local charities.

We are now preparing for our 12th Annual BBQ Cook-off on August 31st, 2024 at our VFW Post located on the Banks of the Guadalupe River. We are in need of your help to help those who gave all for our country. This Cookoff is our BIGGEST Fundraiser to do just that. We are seeking sponsors to contribute items for our, Silent Auction, and our BBQ Plates we will be selling. All sponsors will be recognized on our website (www.vfwpost7110.com); Facebook (VFW Post 7110) and at the VFW Post.

We have a monetary sponsorship with several levels of recognition if you want to make a monetary donation! We can make necessary arrangements to have items picked up that you may to donate for any of the above named fundraisers that we are doing during this Cookoff.
